## News

"For us, our work was important because it was to take care of the people who are in those buildings every day..."

**Janitor and SEIU Local 105 Vice President of Property Services Yuliana Guerrero** shared her story and spoke out on the minimum wage in Denver and the difficult decisions that Janitors must make every day with the wage that we're paid.

Yuliana was featured on Channel 9 News across the Denver metro area! Read and watch the story here:
