A POWERFUL March General Membership Meeting!

Last month we held our general membership meeting with over 60 JANITORS in attendance! At this critical meeting, we learned, discussed, and heard from janitors across the metro about issues that directly affect us.

After finishing the meeting, one thing became clear. We MUST continue to stand together as janitors to fight the disrespect we see in our buildings and win an even stronger contract and protections in 2024!

Stay tuned for updates and dates for our next general membership meeting to get involved in the fight!
