Our New GREEN Janitors!

Last month, we celebrated Earth Day with the graduation of our newest class from the Denver Green Janitors Education Program!

The Union Strong Janitors of 1801 California are proud to have partnered with USGBC Colorado, Brookfield Properties, and CCS Facility Services, through this months-long program giving them the tools and training to keep our downtown buildings clean and safe, with the least impact on our environment.

These Janitors worked hard to complete this program, and were joined and congratulated by our newly elected City Council member, Sarah Parady, at their graduation!

If you believe you are owed lost wages by your contract, contact your union steward or organizer immediately, or contact the Member Resource Center at 303-727-8066!
